Thanks. I wanted to be sure I wasn't too jaundiced from a "headquarters" perspective.

It also occurs to me that I need to spend a weekend with the comments myself and just read through the dang things.

I think it's on the long side and said so in an email to Joelle and Christine yesterday.

I agree we need to separate the strategy/legal discussions of managers to free up members of the technical team to make headway on their review and analysis.

Christine, Joelle and I will be meeting weekly to address these issues.

Thanks.

**Subject:** Summary of next week's CZARA calls

Hi Everyone – I just talked with Christine to confirm the calls/meetings on CZARA for next week. Here they are:

Monday, May 19 – 10-11AM PST/1-2pm EST – Joelle, Lynda, and Christine will be on the call with the rest of the team. One of the goals of the call is to make sure the tech team can take a final action to disapprove or public notice an intent to approve by January 31, 2015. Non-Responsive

Tuesday, May 20 – 10-11AM PST/1-2pm EST – Joelle, Lynda, Christine, and the attorneys will meet to discuss legal questions from Lynda. Call-in # TBD.

Tuesday, May 20 – 12:30pm PST/3:30 EST – This is a proposed time to talk with NWEA, if JB is able to make this time. If she is, then we'll propose it to NWEA.

**Subject:** OR CZARA Schedule Extension request

We're gearing up to check-in with NWEA next Tuesday. One central purpose of that check-in is to tell them what length schedule extension we need. Are we asking for a schedule extension until January 31, 2015? I think we need to be clear on what we want. January 2015 has been my operating assumption.

Thanks.

P.S. I apologize for swamping your email boxes with too many messages today.
